

**Multicultural Greek Council  
CODE OF ETHICS  
Adopted 1/30/13**

The Multicultural Greek Council is committed to respecting other organizations; and the goal of the Code of Ethics is to keep organizations coexisting in harmony.

- a) All MGC organizations and their respective members shall treat other member organizations with respect and courtesy.
- b) All MGC organizations and their respective members shall respect the intake processes of all other member organizations and shall not interfere with the intake process of another organization nor the prospective members such organization.
- c) All MGC organizations shall not denounce one another to gain the favor of prospective members.
- d) All MGC organizations and their respective members shall respect the confidentiality of other member organizations.
- e) No MGC organization shall make any disparaging remarks or discriminate against another MGC organization or individual member of another organization.
- f) All MGC organizations are expected to avoid negative publicity on MGC matters.
- g) All MGC organizations and their respective members shall do their best to support progress, growth, and the unity of the MGC at OSU.
- h) All MGC organizations shall refrain from unsportsmanlike conduct in extracurricular activities.
- i) Any acts of vandalism are prohibited. Such activities and situations include destruction of or theft of organization property.

Violations of this Code of Ethics will result in judicial proceedings through a judicial board hearing or through the Office of Student Conduct Education and Administration.

Adopted on 1/30/13
