University Dining Contract Cancellation

As a student at OSU, I am choosing to live in a sorority house. I do hereby indicate, by my signature below, that I wish to cancel my contracted Meal Plan with University Dining Services. I am aware that UDS strongly suggests depositing a minimum of \$350 on a non-contracted G Meal Plan for use while dining on campus. I fully understand that once those funds are deposited into a G Meal Plan they will not be forfeited at any time. Upon receipt of this form, UDS will use the dates below and charge the student accordingly for contract cancellation.
