Welcome to OKLAHOMA STATE UNIVERSITY

We are excited you have chosen OSU as your new home and are considering becoming a sorority woman. The OSU fraternity and sorority community is recognized as one of the finest in the country. Many of our chapters earn national awards in the areas of scholarship, community service and leadership development programming. The four governing councils of our community earn recognition, as well.

When you choose to commit to sorority life, you are not just choosing Greek letters. You become a part of something that is bigger than yourself, which will help enrich your college experience. Every woman in our community has found the place that they love to call their home through one of our recruitment processes. We hope that throughout formal recruitment, you will also find the chapter you feel is a comfortable fit for you. As women who know how much these strong ties have changed our lives, we are excited to help make your journey the most enjoyable and exciting experience we possibly can.

Let us give you a brief background on our community. The Panhellenic Council is the governing body that oversees OSU’s 13 National Panhellenic Conference sorority chapters. The council is composed of nine executive officers selected by the member chapters. We work as a unified group to facilitate recruitment, sponsor campus and community projects, and promote academic achievement. We always strive to show others what a positive fraternity and sorority community we are a part of. Our goals include serving our university and community and cultivating the development of character through the bonds of genuine friendship.

We hope you find this book to be a useful resource to help you discover the foundations and achievements of OSU’s fraternity and sorority community. Please use it as a guide during your first steps to finding your new home. If you choose to participate in formal recruitment, you must bring with you an open mind and a positive attitude. These are essential tools when going through formal recruitment. Each of our chapters is full of strong women with different personalities that will make finding your home an enjoyable experience. Take the opportunity to find the chapter where you can picture yourself calling the women in it your sisters. Most importantly, get excited to meet new friends, make memories and have fun!

If you have any questions, please feel free to contact us at (405) 744-6583 or by email at sororityrecruitment@okstate.edu. Enjoy your summer, and we hope to see you on August 10!

Sincerely,

Ellie, Brylie & Kaylee
Recruitment Coordinators
405-744-6583 | sororityrecruitment@okstate.edu | panhellenic.okstate.edu
Welcome

Entering college is a very exciting time, and we are thrilled you have expressed an interest in joining a values-based organization. Should you choose to accept a bid, you will become a member of one of the strongest fraternity and sorority communities in the country that is committed to excellence in scholarship, leadership, service, brotherhood and sisterhood.

The Panhellenic Council at Oklahoma State University facilitates a fully-structured recruitment process prior to the beginning of the fall semester. Within this booklet you will find instructions and deadlines related to registration. Please take note of the deadlines! Additionally, you will find important information about housing during recruitment and the recruitment meal plan.

Any woman with special needs due to health or disability is encouraged to contact the OSU Panhellenic Council at (405) 744-6583 or the Office of Fraternity & Sorority Affairs at (405) 744-5490.

The OSU Panhellenic Council is here to assist you in this process and hopes that it goes smoothly for you. So, get ready to meet your new sisters!

RECRUITMENT REGISTRATION

Registration for formal recruitment is available online at http://gogreek.okstate.edu or at panhellenic.okstate.edu. Registration will open on April 8, 2019 and will close July 19, 2019 at 5 p.m.

The following information will be required for registration:
- OSU email address
- Digital photo
- Campus Wide Identification Number (CWID). Your CWID is an eight-digit number used to identify you through the Student Information System (SIS). You can find your CWID by looking on your newly issued student ID or by logging into SIS from http://osu.okstate.edu. After logging in, there is a tab at the top of the page titled “Personal Info.” The second option in the drop down menu is “What is my CWID.”
- Activities, honors and service. Including this information will create a resume for you.
- T-shirt size
- Parent/guardian email address. Parents/guardians have the opportunity to receive summer updates and nightly emails during recruitment week. Each PNM may provide two email addresses for parents/guardians.

Once beginning the registration process, be sure you complete all the information at that time. If you do not complete everything at once, your information will not be saved, and you will have to start the process from the beginning. Therefore, it is helpful to have the aforementioned information handy when beginning the registration process.

After registering online, please follow the instructions to pay online or mail your $115 registration fee to:

Panhellenic Recruitment
Oklahoma State University
211J Student Union
Stillwater, OK 74078

Checks should be made payable to “Panhellenic Recruitment.” Please put your name and CWID in the check’s memo line.

The payment must be received by the registration deadline for your registration to be complete. If payment is mailed, it must be postmarked by July 19, 2019. No late applications or materials will be accepted! There will be no refunds after this date.

A confirmation will be sent to you within two weeks of the Panhellenic Council receiving your registration materials. If your confirmation states any part of your registration materials are missing or incomplete, those items should be called in or mailed immediately to the Panhellenic Council.

ACADEMIC STANDARDS

The Panhellenic Council does not set specific academic requirements/standards for potential new members to participate in recruitment. However, it is important to understand each chapter has grade point average requirements set by its inter/national organization and the local members. It is possible, but extremely rare, for exceptions to be made to these guidelines. These individual requirements are listed on the sorority profile pages later in the booklet.

The high school GPA that the Panhellenic Council accepts is the Core GPA provided by the Office of Undergraduate Admissions, which is defined below.

15-Unit Core Curricular Requirements:
- 4 units of English (grammar, composition and literature);
- 3 units of mathematics (algebra I, geometry, algebra II and above);
- 3 units of history and citizenship skills (one unit of American history and two units from the subjects of history, economics, geography, government, civics and/or non-western culture);
- 3 units lab science (biology, chemistry, physical sciences, physics or any lab science certified by school district); and
- 2 units of other courses selected from any of the sections above or computer science or foreign language.

AP and higher-level IB courses are identified and weighted in the Core GPA (i.e. If a student makes a B in AP language composition, it is calculated as an A. An earned A grade is given an extra point when calculated.)

While the State Regents strongly support the initiation of honors courses, honors weighting will not be used in the calculation of either high school (overall or core) GPA because there is no equitable mechanism to include the honors premium.

The above information can be found online at https://admissions.okstate.edu/admission-requirements#freshmen.

Please don’t forget to send your final transcript to the Office of Undergraduate Admissions as soon as you are able because all academic information (high school and/or college GPA(s) and ACT and/or SAT scores) provided to chapters will be verified through the Student Information System (SIS). Your application will not be complete without the final transcript(s). The Panhellenic Council and Office of Fraternity & Sorority Affairs are not responsible for lost, misplaced, or late transcripts due to the Office of Undergraduate Admissions. It is the responsibility of the student to contact the Office of Undergraduate Admissions before the Recruitment registration deadline to ensure all necessary documents have been received.

If your high school GPA is below a 3.0 or your college GPA is below a 2.7 (on a 4.0 scale), you may have significantly fewer opportunities than participants with higher GPAs. Potential new members who do not meet the minimum academic requirements of a specific chapter are typically released early in the recruitment process to allow these women to explore other alternatives. After accepting membership in a chapter, there are academic requirements for women to stay active in the chapter during their time at OSU. The GPA requirements differ from chapter to chapter. Inquiring about academic standards is a wonderful idea for conversations during recruitment. Additionally, each woman must be a full-time OSU student to be considered an active member of one of our 13 chapters.
The check-in process for formal recruitment is very important. First and foremost, please note that moving into your permanent housing assignment does NOT automatically check you in for formal recruitment. PNMs must report to the Colvin Recreation Center Annex, between the hours of 9 a.m. and 12 p.m. on Sunday, August 11. Failure to check in with the Panhellenic Council by 12 p.m. will result in a PNM being unable to participate in recruitment.

Parents can visit the Parents and Families Booth at Recruitment check-in in the Colvin Recreation Center Annex from 9 a.m. to 12 p.m. Any questions parents or families have may be answered during that time. Parents and families will also receive information about the expectations of sorority member and details about the recruitment process. PNMs and their families should conclude all family and business prior to the PNM Orientation. The session is only for PNMs and not families. The PNM Orientation begins at 4 p.m. in TBA Sunday, August 11. PNMs should arrive promptly.

Each woman will also be required to purchase a meal plan for the week of recruitment. This meal plan will cost approximately $105. This will be charged to the PNM’s bursar account. This is not the same as your meal plan for the semester and cannot be used outside of recruitment.

If you’re interested in purchasing an additional meal plan, please contact your chapter advisor for more information.

Refunds will NOT be provided after July 19, regardless of whether or not a PNM participates in recruitment.

Meals will be served by University Dining Services at the Student Union. For more information about University Dining Services, please go to the UDS website at dining.okstate.edu and like their Facebook page by searching “Oklahoma State University Dining Services.”

The Department of Housing and Residential Life will facilitate the early arrival process and has set the fee at $150. The early arrival fee will be charged to the PNM’s bursar account by the Department of Housing and Residential Life. Participants will be charged the entire fee regardless of continued participation in recruitment. Questions regarding move-in logistics or the early arrival fee can be directed to the Department of Housing and Residential Life at (405) 744-5592. Please note that women who will not be living on campus during the fall semester are responsible for their own housing during formal recruitment.
Statement on Legacies

A legacy is defined differently by each inter/national organization. However, in general, a legacy is defined as a woman whose sister, mother or grandmother is a member of a National Panhellenic Conference sorority. Most chapters are asked by their inter/national organization to get to know each of its legacies participating in recruitment. It is important to note a sorority is not obligated to offer a bid to a legacy, and a potential new member is not obligated by anyone to commit to a chapter where she is a legacy. To learn more about mutual selection, see “Mutual Selection Process” below.

Please remember that the ultimate decision to join a chapter rests with the potential new member. The potential new member should not make a decision or be under pressure based on her legacy affiliation. The potential new member should make a choice based on where she is most comfortable, not on the experience of another individual.

Recommendation Letters

A letter of recommendation is written by an alumna member of an organization for the purpose of introducing a woman to a chapter. It provides a brief description of her interests, activities and personality. The standards and policies set by the National Panhellenic Conference regarding letters of recommendation state:

"The responsibility for providing letters of recommendation for prospective new members rests with the members of NPC fraternities, and recruitment information distributed through College and Alumnae Panhellenics shall contain nothing that infers that letters of recommendation must be secured by the potential new member. Individual NPC member groups will clarify this responsibility with their membership. NPC area advisors will clarify this responsibility with College and Alumnae Panhellenics.

Remuneration from the potential new member or her family for any such letter is inappropriate."

Recommendation letters may be considered in the membership selection process. The Panhellenic Council highly suggests that you have a recommendation letter for each of our 13 chapters; however, this is not required. The Panhellenic Council recommends you contact your local Alumnae Panhellenic Association or any sorority alumna you know to request a letter of recommendation for any of our 13 chapters. The alumna will obtain the proper forms from the sorority with which she is affiliated and will send the letter directly to the chapter. An alumna member unfamiliar with the recommendation letter process can visit her inter/national organization’s website for further instructions. The letter of recommendation should be addressed to the attention of the recruitment chairman, or submitted electronically via the inter/national organization’s website. See the sorority profile pages in this booklet for chapter house addresses. Any recommendation letters received by the Office of Fraternity & Sorority Affairs and/or by the Panhellenic Council will be destroyed. Registering with a local Alumnae Panhellenic Association for recommendation letters does not register you for recruitment. To register, you must complete the online registration form. See page 3 for more information on registration. For more information on recommendation letters, see our website at gogreek.okstate.edu.
During formal recruitment week, you will have the opportunity to be introduced to women are a member of a sorority chapter at Oklahoma State University. She was selected by her peers and completed an application and interview process. She has disaffiliated from her chapter so she can work as a friend and guide to you. Disaffiliation means she does not have contact with her own chapter throughout the recruitment process. These women will be here to assist you and to model Panhellenic spirit to you. Therefore, she will only go by her first name during recruitment. These women who will be guiding you around during the week are called Gamma Chi’s. You will also have the opportunity to meet Judicial Board members who are stationed at each chapter house to help the chapters and you.

Recruitment counselors have been through hours of training in preparation for recruitment. These women are educated to answer any questions you may have. They aid you in selected a chapter that is best for your own interests and needs. They are available any time, day and night, to handle problems and offer guidance in a one-on-one situation. Recruitment counselors will keep anything you tell them in confidence, so you can be open with them about any problems you have during recruitment."

Recruitment, much like sorority membership itself, is a process that requires a reasonable commitment of time and effort. The Panhellenic Council has adopted a no-tolerance policy regarding missed days or events. Women participating in recruitment must be available to attend all scheduled invitational rounds and evening events; exceptions will be made only for university-related activities (i.e. OSU Band or OSU Athletics). Potential new members are expected to be present at every chapter event they are scheduled to attend on any given day. Failure to do so will result in dismissal from recruitment. Women who have unavoidable conflicts that will require absences from recruitment events are encouraged to contact the Panhellenic Recruitment team to discuss their options.

Recruitment counselors have been through hours of training in preparation for recruitment. These women are educated to answer any questions you may have. They aid you in selected a chapter that is best for your own interests and needs. They are available any time, day and night, to handle problems and offer guidance in a one-on-one situation. Recruitment counselors will keep anything you tell them in confidence, so you can be open with them about any problems you have during recruitment."

Recruitment is a mutual selection process that balances the preferences of each potential new member with those of the existing sorority chapters. The Panhellenic Council strives to allow every young woman an opportunity to find a sorority that best suits her personality, interests and future goals, while providing an organized and unbiased membership selection process for the chapters.

Invitations are only guaranteed to potential new members for the first round, which begins on Monday and concludes on Tuesday. There is no guarantee that a PNM will be invited to attend the second, third, or fourth event rounds. Invitations to subsequent rounds are made based on the selections of the chapters and the preferences of the potential new members. PNM schedules will be maximized so they are able to meet with as many chapters as possible during their recruitment experience.

There is no guarantee that a woman will receive a bid to any sorority. However, if a potential new member progresses through the week and attends all the events she is invited to during the fourth event round and lists each of those chapters on her preference sheet that night, she will receive a bid to one of those chapters.

There is no specific formula that explains why a woman is released from a particular chapter, or why a woman prefers one chapter more than another. The Panhellenic Council makes every effort to allow each potential new member the best opportunity to join the sorority of her choice, but there are no guarantees a young woman will be placed within that specific sorority. It is important to keep an open mind during recruitment week and to use the time to meet and make new friends!
FINANCIAL COMMITMENT

The financial requirements of joining a sorority vary widely from chapter to chapter. The main costs associated with becoming a member of a sorority at Oklahoma State University consist of membership fees each semester, one-time new member fees, the cost of living in a sorority house and miscellaneous fees specific to each chapter.

Women who chose to live in the sorority house can expect to pay anywhere from $6,462 to $9,341 annually, varying from chapter to chapter. This includes housing, some meals and chapter dues, as well as the aforementioned miscellaneous fees.

Women who do not live in the sorority house can expect to pay from $1,940 to $3,644 annually, varying from chapter to chapter. This includes use of the sorority house, some meals, chapter dues and other small fees associated with that chapter.

Many chapters will also have additional one-time fees ranging from $474 to $985. These fees include, but are not limited to, initiation fees, new member fees, building funds, security deposits and badge fees.

In addition to mandatory expenses, there may also be additional, optional expenses such as T-shirts. Students are encouraged to determine how much they will allocate for these expenses at the beginning of each semester.

Payment options, such as forms of payment and payment due dates, vary from chapter to chapter as well. Some chapters require full payment at the beginning of each semester while others have implemented payment plans that allow payments throughout the semester. Specific financial information for each chapter is available on the chapter websites and will be discussed on Bid Day and distributed to parents electronically by each chapter.

It is important to consider all of the financial obligations associated with joining a sorority. We encourage you to ask any questions you might have regarding the potential costs of membership. Members of the OSU sorority community are more than willing to answer your questions at any point during the process.

Note: The monetary ranges listed above were correct as of the time this publication was printed. While the financial requirements for joining Oklahoma State University’s sorority community are not expected to increase in the near future, there is the potential that costs could increase by three to five percent depending on economic trends.

Moving into a Chapter House

It is very rare for a woman to be offered the opportunity to move directly into a chapter house. However, should you receive a bid from a sorority chapter that does have space for you to move into the chapter house, the housing cancellation form provided by the chapter must be filled out and returned to the Department of Housing and Residential Life in 100 Iba Hall on Saturday, August 17 by 8 p.m. This form will be provided by the chapter on Bid Day and requires a signature from the following individuals: you, your parent/guardian and a chapter representative. The Office of Fraternity & Sorority Affairs is also required to approve all housing cancellation forms. For formal recruitment, this approval is obtained when the Department of Housing and Residential Life receives a copy of the Bid List on August 17. Any time after formal recruitment, this approval is acquired by obtaining a signature from a representative of the Office of Fraternity & Sorority Affairs.

Please note that you will also need to check out of your permanent housing assignment in order for the contract breaking process to be complete. Check outs can be arranged by contacting your Community Mentor or Hall Staff. These typically require 24-hours’ notice. Specifically for formal recruitment, failure to cancel your housing contract by completing the housing cancellation form on Saturday, August 17 and by checking out by 3 p.m. on Sunday, August 18 will result in housing charges. The information provided here is subject to change at any time without notice. Please contact the Office of Fraternity & Sorority Affairs during regular business hours with questions or concerns.
A potential new member has:

- The right to be treated as an individual;
- The right to be fully informed about the recruitment process;
- The right to ask questions and receive true and objective answers from recruitment counselors and members;
- The right to be treated with respect;
- The right to be treated as a capable and mature person without being patronized;
- The right to ask how and why and receive straight answers;
- The right to have and express opinions to recruitment counselors;
- The right to have inviolable confidentiality when sharing information with recruitment counselors;
- The right to make informed choices without undue pressure from others;
- The right to be fully informed about the binding agreements implicit in the membership acceptance signing;
- The right to make one’s own choice and decision and accept full responsibility for the results of that decision; and
- The right to have a positive, safe and enriching recruitment experience.

POTENTIAL NEW MEMBER BILL OF RIGHTS

Recruitment Schedule

Saturday, August 10 ........................ Move In
1:00 - 5:00 p.m. ........................ Move in

Sunday, August 11 ........................ Check in/Orientation *
9:00 a.m - 12:00 p.m ...................... Check in and Vendor Fair
4:00 p.m ................................. Potential new member orientation
6:00 p.m ................................. Dinner
8:00 p.m ................................. Gamma Chi meeting

Monday, August 12 ........................ First Event Round (Day 1) *
9:00 a.m ................................. Meet with recruitment counselors
10:00 a.m - 6:30 p.m .................... Events at chapter houses

7:15 - 9:00 p.m ........................ Dinner
9:00 p.m ................................. Group meetings in designated areas

Thursday, August 15 ..................... Third Event Round (Day 4) *
8:00 a.m ................................. Meet with recruitment counselors
9:00 a.m - 7:00 p.m .................... Events at chapter houses
12:45 - 2:15 p.m ........................ Lunch
7:00 - 9:00 p.m ........................ Dinner
9:00 p.m ................................. Group meetings in designated areas

Friday, August 16 ......................... Fourth Event Round (Day 5) *
7:30 a.m ................................. Meet with recruitment counselors
10:00 a.m ................................. Attend College Spotlights
11:00 a.m ................................. Attend Convocation with your recruitment group
12:00 - 2:00 p.m ........................ Lunch
2:00 - 7:30 p.m ........................ Events at chapter houses
2:00 - 2:20 p.m ........................ MRABA Session I
3:00 - 5:20 p.m ........................ MRABA Session II
4:00 - 4:20 p.m ........................ MRABA Session III
7:30 - 9:30 p.m ........................ Dinner on your own
9:30 p.m ................................. Group meetings in designated areas

Saturday, August 17 ...................... Bid Day *
9:30 a.m ................................. Meet with recruitment counselors
10:00 - 11:00 a.m ....................... Potential new members receive bids
11:15 a.m ................................. Panhellenic Bid Day ceremony
11:45 p.m ................................. Potential new members transition to chapter houses
12:00 - 5:00 p.m ........................ Activities at chapter houses

* Times are tentative and may change closer to time. Please check your email for any scheduling updates.
Bid Day

Bid Day is the last day of recruitment on Saturday, August 17. This is when you will receive a formal invitation to membership from a sorority. It is a very casual and exciting day that you will want your parents/guardians to be a part of. You will be able to notify your parents/guardians upon receiving a bid. Parents/guardians can also visit designated locations at 11 a.m. to find out from what sorority you have received a bid. We ask them to then proceed to the chapter house as soon as possible to await your arrival! Information regarding parking on Bid Day will be sent electronically to parents and posted on our website during recruitment week.

After you have accepted your invitation of membership, you will be escorted to your chapter house by a few members of your new sorority.

Each chapter has planned a reception to receive all of their new members. The reception will begin as soon as you and the other new members arrive at the chapter house, between 12 p.m. and 1 p.m. There will be pictures taken, parent/guardian meetings, new member meetings and activities to foster new friendships. At the parent/guardian meeting, your parents/guardians will learn specific financial information and ways to get involved, as well as requirements, dates and deadlines for you as a new member. You should expect to participate in Bid Day activities with your family until approximately 5 p.m.

Here are a few questions your parents/guardians might want to ask on Bid Day:

• What is included in the out-of-house bill?
• What do the new member and initiation fees include?
• How can parents/guardians get involved with activities that go on throughout the year?
• When are the important chapter events that parents/guardians should attend?
• What types of academic assistance do you offer for women in the chapter?

For parents unable to attend Bid Day activities, do not worry! Chapters will distribute financial and other pertinent information to you via email.

Should you receive a bid from a sorority chapter that has space for you to move into the chapter house, there will be a housing cancellation form provided by the chapter. For more information, please see page 7.

BID DAY PARKING

Please visit OSU Parking and Transportation Services website, https://parking.okstate.edu/, to learn more about parking on campus. There are different parking rules for the summer and weekends compared to during the academic year and on weekdays.

BID DAY GIFTS

Because flowers and gifts can be delivered directly to the chapter houses on Bid Day, a variety of vendors featured in this booklet will be showcased at recruitment check-in on August 11. Vendors will be taking orders for Bid Day gifts at that time. Simply give them the PNM’s name, and the vendor will handle the rest. The Panhellenic Council will help these vendors direct orders to the appropriate chapter house on Bid Day. All vendors that have copies of the OSU bid list are bound by contract not to release the information contained in the list. DO NOT ask them to tell you which chapter a potential new member has joined. Not all businesses deliver to the chapter houses but most will have orders ready for you to pick up on Bid Day. For specific information, please contact the individual vendor using the information from their advertisement in this booklet.
Continuous Open Bidding (COB) is an informal recruitment process that takes place after fully-structured recruitment in the fall and lasts until the end of the spring semester. Any woman who wishes to participate will be listed on a continuous open bid list and could be contacted when school begins if chapters are participating. Sororities may extend a bid to a potential new member at any time if the chapter is eligible for COB and chooses to participate. Some women find this recruitment style less stressful and more laid back. However, not all chapters are eligible to participate in COB. The Panhellenic Council regulates something called “chapter total.” If a chapter is below total or does not make quota during formal recruitment they are eligible to participate in COB until those spots are filled. The availability within each chapter, as well as the chapters participating in COB, is subject to change at any time. If a chapter is participating in COB, they may extend a bid to a potential new member at any time. If a woman decides to withdraw from recruitment, she must check out with her recruitment counselor and a member of the recruitment staff by completing an exit interview. She must sign an official form to be released from recruitment. If she is interested in COB, she can sign up at that time. Please remember that there is no guarantee that any chapter will be eligible to participate in COB. If COB sounds like something you might enjoy, we encourage you to consider signing up for it. You may do so during your exit interview should you decide to withdraw from formal recruitment or any time after recruitment ends. If you have any questions regarding COB, feel free to contact us at sororityrecruitment@okstate.edu or (405) 744-6583.

**Continuous Open Bidding**

Continuous Open Bidding (COB) is an informal recruitment process that takes place after fully-structured recruitment in the fall and lasts until the end of the spring semester. Please remember that there is no guarantee that any chapter will be eligible to participate in COB. If COB sounds like something you might enjoy, we encourage you to consider signing up for it. You may do so during your exit interview should you decide to withdraw from formal recruitment or any time after recruitment ends. If you have any questions regarding COB, feel free to contact us at sororityrecruitment@okstate.edu or (405) 744-6583.

**PANHELLENIC CREED**

We, as Undergraduate Members of Women’s Fraternities, stand for good scholarship, for guarding of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community. Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities.

We, as Fraternity Women, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenet by which we strive to live.

**WHAT DOES PANHELLENIC DO?**

The Panhellenic Council is led by a team of executive officers elected by their peers. The Panhellenic Council consists of delegates from the 13 OSU sorority chapters. The council acts as the central governing body of the sorority community. The Panhellenic Executive Council is actively involved with chapter development, including coordinating issue-related programs and leadership opportunities for chapters and their members, compiling grade statistics for individual chapters and the Panhellenic Association, coordinating campus and community service projects, and making resource materials available to help combat chapter issues.

They are also in charge of organizing recruitment, including compiling and publishing recruitment materials for incoming students and training recruitment counselors to represent Panhellenic spirit to potential new members. Finally, the Panhellenic Executive Council represents all sororities at regional and national meetings, and represents all sorority women by serving on university committees.
Sorority involvement in community service is a priority among all chapters at OSU. Sorority women contribute volunteer efforts and monetary donations to a number of worthwhile local and national organizations, some of which are highlighted on the sorority profile pages of this booklet. The Panhellenic Association heavily supports many local philanthropies and participates in other campuswide service projects, such as Into the Streets, The Big Event and Cowboy Thon. These projects, along with countless others, provide OSU sorority women the opportunity to grow as civic-minded leaders. In 2017, the fraternity and sorority community reported more than 100,000 service hours and raised nearly a quarter of a million dollars for charity.

Sororities concentrate on creating successful scholarship programs that help each member reach her academic goals. These programs include study halls, academic mentors, study files and support technology.

Chapters take great pride in their academic efforts and encourage their members to make education a top priority. Because of this strong commitment to scholarship, the all-sorority average GPA consistently exceeds the OSU undergraduate all-women’s average. The Panhellenic GPA for the fall 2018 semester was a 3.3911 while the All Non Greek Undergraduate Women’s GPA was 3.184.

Oklahoma State University strives to have its fraternities & sororities uphold the four pillars of Greek life: Philanthropy, Leadership, Scholarship, & Social Connection.

The Panhellenic Council promotes safety and discretion at all chapter-sponsored activities. Oklahoma state law and university policies regarding hazing and alcohol consumption are strictly enforced. Additionally, all chapters utilize their own risk management procedures to decrease the likelihood of accident or injury at fraternity and sorority social events. Further, all social activities are required to be registered through the OSU Office of Fraternity & Sorority Affairs.
Fraternity - Fraternity is a social experience based on the fundamental right of a free people to form voluntary associations. It is one of the enrichments of college life.

Mutual Choice - The young woman who wants a fraternity experience will find it possible to belong on most campuses today. Fraternity membership is by invitation. Fraternity membership is by mutual choice. Fraternity membership is by invitation.

Fraternities exist because they:
- Provide a good democratic social experience.
- Give values beyond college years.
- Create, through their ideals, an ever-widening circle of service beyond the membership.
- Develop the individual’s potential through leadership opportunities and group effort.
- Fill the need of belonging.

Fraternities continue because:
- Young women feel a continued need to belong.
- Parents appreciate fraternity values and standards and cooperate to make membership possible.
- College administrators, recognizing the values of fraternities, continue to welcome them on their campuses and to invite them to establish new chapters.

As Panhellenic, We Believe

When joining the Oklahoma State Panhellenic community, you are becoming a part of an award-winning community. As a part of the Association of Fraternal Leadership and Values, the Panhellenic Council Executive officers attend their AFLV Central Conference each spring and have been awarded the Sutherland award in Division III seven out of the last ten years. This award is given to the Panhellenic Council that achieves the highest score amongst its peers. The OSU Panhellenic Council has also been awarded by the National Panhellenic Council (NPC) including this past year when it was recognized with the NPC excellence award. This award was only given to 25 of the 670 universities that have a Panhellenic Council. Since 2004, the community has been awarded the Gamma Sigma Alpha GPA award which recognizes institutions for highest GPA differentially in their region between Greek and Non-Greek students at their respective institution.

Oklahoma State University boasts one of the largest homecomings in America with considerable participation from the fraternity and sorority community. Sororities are paired with fraternities to build large, colorful structures in their yards known as "house decs," which is short for house decoration. Each member of a fraternity or sorority is required to work on their "house dec" for a certain number of hours each week as designated by the chapters. At OSU, this is known as "pomping." The hours vary by chapter and are based on work completed and work left to be done. In the past, hours have ranged from five to 12 hours per week. Special accommodations can be made for individuals with particularly demanding schedules or for participants in Freshman Follies. These "house decs" are the focus of Friday night's Walkaround to which thousands of people come from all over the country to view the displays. The fraternity and sorority community also participates in a children's carnival, sign competition, spirit rally and offers tremendous support for the football team. Homecoming truly is the highlight of the fall semester and a source of great pride for many of the fraternities and sororities at OSU.

Freshman Follies has been a tradition of the Oklahoma State University Greek community for more than 40 years. Held annually during the fall semester, Follies has allowed freshmen to light up the stage with singing, dancing, and "cheesing" since 1970. This event allows students to live their Greek values of scholarship, philanthropy, brotherhood/sisterhood and leadership out loud. Sorority and fraternity chapters pair to create a 10-minute show consisting of original choreography, vocal arrangements, lyrics, crazy costumes and dialogue in an effort to highlight the pairings' chosen theme. Each cast of approximately 30 freshmen is selected from the new member class by the directing teams for the pairings. The planning of the shows begins during the summer months. Follies has become such a renowned event within the OSU community that tickets sell out each year in less than an hour. Freshman Follies also benefits the Hearts for Hearing Foundation in Oklahoma City and has donated over $100,000 to this organization in the last two years alone. It is difficult to emphasize the capacity that Follies holds for everyone involved, but the fact that graduating seniors have referred to Follies as their favorite college experience says a lot!

Over the years, Varsity Revue has become a tradition OSU students look forward to, but few know of the humble beginnings. Varsity Revue was created to raise desperately-needed funds for the marching band in 1929. Joe Griffin proposed a vaudeville show to sell tickets to the student body. Featuring musical, dance, comedy, and all kinds of other performances, the show was a hit. The show went for many years to follow and was even kept afloat as many students were called to war. Since its inception, Varsity Revue has included men and women from the fraternity and sorority community, from student organizations and from residence halls in the performance. However, as time passed, fraternity men and sorority women truly embraced the Varsity Revue tradition. By 2013, the Office of Fraternity & Sorority Affairs took over the advising role. Today, Varsity Revue consists of most of the Greek organizations performing broadway-styled acts. Traditionally there are 4 nights of shows, the first one giving 100% of the proceeds to the beneficiary, which is currently the United Way of Payne County. In 2019, Varsity Revue celebrated 90 years at Oklahoma State University making it one of the oldest traditions remaining.

Spring Sing is the final show in the school year at Oklahoma State University and has been a long-standing tradition in the Greek community for almost 60 years. Each production will last about six minutes. Groups use the theme to create their own unique story line. Group acts are judged on musicality, theme originality, costumes and choreography. Spring Sing is held annually in the Gallagher-Iba Basketball Arena on Mom's Day and sees over 2,000 guests in attendance. The show also benefits Coaches vs. Cancer and has donated over $100,000 since the partnership began! Seniors will finish the night with the "Senior Show" where all the chapters have their graduating seniors perform a final song together weeks before they graduate in May.
**Alcohol Policy**

The possession, use and/or consumption of alcoholic beverages is absolutely prohibited while on chapter premises. During an official fraternity event, or in any situation sponsored or endorsed by the chapter, alcohol consumption must be in compliance with any and all applicable laws of the state, county, city and university.

- No alcoholic beverages may be purchased through the chapter treasury nor may the purchase of alcohol for members or guests be undertaken or coordinated by any person in the name of or on behalf of the chapter. The purchase and/or use of bulk quantities of such alcoholic beverages (i.e. kegs, party balls, etc.) by any chapter’s members or new members, or the purchase of bulk quantity of alcoholic beverages by an individual for a chapter, is prohibited.

- No chapter may co-sponsor or co-finance a function where alcohol is purchased by any of the host chapters, groups or organizations.

- No chapter members/new members, collectively or individually, shall purchase for, serve to or sell alcoholic beverages (to include 3.2 beer or stronger) to anyone under the age of 21 years.

- No chapter may co-sponsor an event with an alcohol distributor, charitable organization or tavern (where tavern is defined as an establishment generating more than one half of annual gross sales from alcohol) where alcohol is given away, sold or otherwise provided to those present.

- All recruitment activities associated with any chapter, without regard to location, will be dry recruitment functions.

- Open parties where alcohol is present, meaning those with unrestricted access by non-members of the fraternity, without specific invitation, shall be prohibited.

- No “drinking games” in any form shall be permitted, tolerated or encouraged.

- No alcohol shall be present at any new member program activity of the chapter.

**HAZING CODE**

Hazing in any form at Oklahoma State University is absolutely forbidden. Hazing is defined as any activity which recklessly or intentionally endangers the mental health, physical health or safety of a student for the purpose of initiation or admission into, or affiliation with, any organization operating subject to the sanction of the public or private school or of any institution of higher education in the state of Oklahoma. In addition, the Oklahoma State University Student Rights and Responsibilities Governing Student Behavior document prohibits any form of racial, ethnic and sexual harassment.

Hazing incidents should be reported immediately either to OSU Student Conduct, the Office of Fraternity & Sorority Affairs or 1-888-NOT-HAZE (668-4293).
Oklahoma State Panhellenic Council has adopted the Circle of Sisterhood as our Panhellenic Philanthropy. The mission of the Circle of Sisterhood Foundation is to leverage the collective wisdom and influence of sorority women to support entities around the world that remove educational barriers for girls and women, uplifting them from poverty and oppression. The Circle of Sisterhood Foundation is a mechanism by which all sorority women can stand together across affiliation, age, color, and creed to make a difference in the lives of millions of girls and women around the world. Collectively, this is one of the largest communities of college-education women in the world while not even seven percent of the world – men and women combined – has college degrees, and two thirds of all illiterate adults are women. Standing together as one community, we will give girls and women an equal chance for rewarding lives and livelihoods through schooling, the learning of a trade, or even a college degree. Whether founded in the 1800s or in the 2000s, sororities place a high priority on volunteering and community engagement. Together, sororities donate millions of domestic dollars every year to help eliminate life-shattering diseases, raise awareness for important health issues, as well as tackling local issues such as domestic-violence against women, illiteracy among youth, environmental stewardship, and aid to the disabled and aging. If you would like to support our philanthropy, monetary donations can be made during recruitment check-in. For more information about Circle of Sisterhood, please visit, www.circleofsisterhood.org.

With the help of Circle of Sisterhood...

from 2010-2018

A Note from the President

The women of Alpha Chi Omega would like to welcome you to Oklahoma State University!

We are so excited to meet you as you begin to embark on one of your greatest adventures. Oklahoma State is a wonderful place to not only find your friends, but also find your truest self. At Alpha Chi Omega, we are Real. Strong. Women. Our chapter focuses on sisterhood, leadership, academics, and service. The concept of empowered women empowering other women comes to life in the values we strive to uphold. We work to empower each other to reach for the stars and turn our dreams into reality. Alpha Chi Omega is filled to the brim with diverse personalities and experiences.

Along with empowering our sisters, we take the leadership skills we learn within our chapter out into the community. We work to help others through the many clubs our members are active in on campus as well as giving back to our local philanthropy Wings of Hope. Once a year, Alpha Chi Omega goes on a weekend long retreat to celebrate our sisterhood. Each year is something new that every member looks forward to. Along with our weekend getaway, host countless other events throughout the school year that keep our sisters engaged and excited.

Alpha Chi Omega would like to wish you the best in your new, exciting adventure. We look forward to sharing more of our sisterhood with you in the future!

With love,
Aelee Armstrong
Chapter President - Alpha Chi Omega

223 S. GARFIELD · STILLWATER, OK 74074
Ladies,

On behalf of the sisters of Alpha Delta Pi, it is a joy to have the opportunity to welcome you to Oklahoma State University and to the Greek community! Home to one of the best Greek systems in the entire nation, Oklahoma State fosters the development of leadership, service, scholarship, and sisterhood among its Panhellenic members. Alpha Delta Pi, being the first secret society for women, prides itself on the pillars of loyalty, sincerity, high educational standards, and the strengthening of character. Our open motto “We Live For Each Other” can be shown in every aspect of our sisterhood, through our selfless service with the Ronald McDonald House Charities, our partnership with the Max Gruber Foundation, and even through small acts of kindness among our sisters. Although fun sisterhood events, philanthropic efforts, and movie nights are abundant in the 4 years of collegiate membership, the decision to become an Alpha Delta Pi is not just for 4 years, it is for life. This lifelong commitment can be seen in the construction of our new chapter house, which will mark Alpha Delta Pi’s 100 year anniversary on OSU’s campus. We look forward to meeting you, and hope that you find the home that empowers you to be the best version of yourself!

Sincerely,
Janet Ashworth
Chapter President - Alpha Delta Pi
A Note from the President

Welcome to OSU and AOII!

Congratulations on choosing to go through recruitment. This is one of the best decisions you can make for your future! No matter where you end up, you have made the decision to grow, join a community with many strong and unique women, and be part of something larger than yourself. In AOII we cherish these common threads that run through the Panhellenic community. In addition to those ideals, we are proud to stand for character, dignity, scholarship, and college loyalty. We exist not only to recruit but also to build women of character. In AOII, we know that true character and dignity stem from confidence. We are a place where everyone’s unique story is celebrated, and each woman can become the most genuine version of herself. We empower each other through celebrating one another’s achievements and creating opportunities for sisters to have fellowship with one another. We know that school is why you are here – not to just get good grades, but to truly learn to equip yourself to reach your dreams. We support scholarship through peer mentoring and connection with the university’s academic programs. Above all, without Oklahoma State, we would not be here. We want to always give back to this community through on-campus leadership, service, and, of course, cheering on our cowboys every Saturday in Boone Pickens.

I am so excited for you as you embark on your journey of finding a sisterhood that challenges, inspires, and celebrates you just as mine does. I wish you the best of luck!

Alpha Love,
Anna Stallings

A Note from the President

Dear Potential New Member,

The Epsilon Omicron chapter of Alpha Xi Delta, welcomes you to Oklahoma State University, home of the best Panhellenic Council in the country! We wish you all of the happiness and love that Alpha Xi Delta has brought to us over the years.

Alpha Xi Delta is proud to have women that strive to serve our community through courage, graciousness and peace. Our national motto is, “Realize Your Potential”, and that’s exactly what we aim to help our sisters do. We are members of organizations that make up the top one percent of Greek leaders at Oklahoma State, have been finalists and winners of multiple Greek awards including Outstanding Freshman, Sophomore and Junior, Advisor of the Year, and America’s Greatest Homecoming. We complete over 2,000 community service hours each semester, while also raising nearly $10,000 for our national philanthropy, Autism Speaks.

While you and I may not know each other personally, as the recruitment process begins, I would like you to promise me a few things and I will do the same in return. Promise me that you will stay true to yourself and to search for a sisterhood that will push you to be the best version of yourself. I promise that you will meet your best friends and mentors. I promise that there will be hardship and you will overcome it all with the help of your sisters!

Sincerely,
Hannah Maggiore

Welcome to Oklahoma State Greek Life. I remember what an exciting, yet nerve-racking process Recruitment was for me, but rest assured you will find right where you belong!

310 South Monroe is more than just a house; it is a home. It’s a place filled with women who are consistently by your side throughout all seasons of life. The women who call 310 South Monroe home never fail to embrace you, both figuratively and literally—they are always there to give the biggest hug when needed, and push you to take that extra step beyond your comfort zone. This is the place where I ran home a mere three years ago, and while I was apprehensive as to if sorority life was right for me, I quickly learned that each girl desires, and receives something unique from a sorority. Furthermore, Chi Omega values the idea of “sisters of purpose” and “sisters on purpose.” Each girl is placed in this house for a reason, and that is fully and joyfully embraced.

Women in this house place scholarship, campus involvement, and philanthropy at the utmost value. Chi Omega provides each woman the support needed to succeed at Oklahoma State and beyond. This sisterhood is truly unlike any other bond I have experienced prior to college. I will always be proud to wear the cardinal and straw each day as it represents immense support, unconditional love, and a sisterhood that will truly last a lifetime.

XOXO,
Bailey Bruner
Chapter President - Chi Omega
A Note from the President

Tri Delta is more than an organization. It is a sisterhood that prides itself on the diversity and individuality of each member. As collegiate women we celebrate our differences while working together to be the best versions of ourselves. Tri Delta encourages our members to be brave, bold and kind in all their endeavors. We are proud to have a relationship with St. Jude Children’s Research Hospital and support their mission to end childhood cancer. Multiple events are held each year that benefit the hospital directly. We host an all you can eat pancake dinner called “DHOP” in the fall semester, a spring philanthropy event, and a letter writing campaign called “Sincerely Yours”. In addition, our chapter takes a yearly trip to St. Jude where members witness first-hand what our donations are benefiting. We also hold monthly events known as “Delta’s Only” that strengthen our friendships and sisterhood. These events are always a great way to unwind, and create fun memories with our sisters. Tri Delta is a not just a place. It is a home away from home where each member can be their truest self. We don’t want you to come here and be someone you’re not, we want you to come here and be you.

Sincerely,
Alex Andrews

1506 W. THIRD · STILLWATER, OK 74074
A Note from the President

On behalf of the women of the Beta Psi Chapter of Gamma Phi Beta, I would like to congratulate you on your decision to join the Cowboy family at Oklahoma State University.

Oklahoma State’s Greek community is one of the most unique and incredible things to be apart of. It was the best decision I made as I began my time at OSU. I have been able to grow as a leader, friend, and mentor since I joined Gamma Phi Beta. As a chapter, we are supportive, encouraging, and loving to one another in everything we do. We have a variety of sisterhood events like campfires with s’mores, scavenger hunts, and dessert nights that give us the opportunity to bond and develop our relationships even further. Another thing we enjoy is being involved in the Greek community by taking apart in America’s Greatest Homecoming, intramurals, and shows.

Gamma Phi Beta constantly aim to uphold our core values of love, labor, leaning and loyalty by encouraging each other to purse scholastic achievements, giving back to the community, personal growth, and cherishing our sisterhood. Our members bring a variety of diverse qualities to our chapter which enables us to highlight every women’s individual strengths, while growing closer together as a chapter.

The women of Gamma Phi Beta wish you the best of luck as you begin your time at Oklahoma State University and hopefully make the decision to join our Greek Community!

Sincerely,
Grace Dockhorn
Chapter President - Gamma Phi Beta
First off, welcome to Oklahoma State! Coming here and joining Greek Life here has been one of my best decisions ever, and I hope you will be able to say the same! Theta is so special to me because it has given me a chance to meet a wide variety of personality types, yet we can all find common ground in the values we cherish.

Because of Theta, I have grown in my leadership, faith, academics, and self-confidence. I have been encouraged by the women around me to step out of my comfort zone and push myself to be the woman I want to become. Theta has definitely changed me for the better.

I encourage you all to look for a chapter where you feel you can be your true self and to remain authentic during the recruitment process. I am confident you will find your forever home!

Best of luck with recruitment!

Megan McLeod
Chapter President - Kappa Alpha Theta
Dear Potential New Members,

The women of Kappa Delta are so excited to welcome you into our home through the recruitment process. The foundation of our chapter and motivation behind all we do is to build confidence in women. We believe encouraging confidence within our sisters is the key to empowering each other to be the best versions of ourselves.

Our chapter strives for that which is honorable, beautiful and highest in everything we do. We have been honored to see our hard work and dedication pay off in the areas of academics, community service, campus involvement and sisterhood through being awarded the Dean Zelma Patchin Award for Most Outstanding Chapter on campus for the past three years.

Though I am so proud of our accomplishments as a chapter, nothing is more rewarding than getting to serve and share such a special bond with a group of women that are all incredibly talented, passionate and loving. This sisterhood has gone so much deeper than I could have ever imagined. I am a better friend, a better leader, a better student and a better person because of Kappa Delta and the opportunities I have had to grow and be challenged within this sisterhood. I could not be more proud to welcome you into these doors as you get to know the incredible women inside. Our hope is that we get to share a glimpse of the confidence we find through each other with you in this process.

Go Confidently,
Lindsay Brantley

A Note from the President

Kappa Kappa Gamma is a house full of women that not only want to better themselves, but each other. Here at Kappa we value loyalty, sincerity, and friendship. Each member embodies these values, but what makes Kappa so special to all of us is that we are all unique individuals that mold together to make our house a home. We place great emphasis on growth, involvement, philanthropy, leadership, sisterhood, and academics. Our motto is “Dream Boldly. Live Fully,” and we strive to do just that every day. The members of Kappa Kappa Gamma strive to challenge each other to be the best we can be, make lifelong friends (and bridesmaids), and create everlasting memories together. Kappa is more than just a home, it is a way of thinking, acting, and living that each member will carry on for the rest of their life. The women of Kappa wish you the very best during this exciting week!

Sincerely,

1212 W. FOURTH · STILLWATER, OK 74074
Hi there, Welcome to Oklahoma State!

The Women of Phi Mu are so excited that you have chosen to attend this wonderful university and have decided to go through formal recruitment. We know that wherever you end up, you will find your forever home and sisters that will love you endlessly!

To look at Phi Mu in a glance, our written values are Love, Honor, and Truth and these are values that we live by each day. Along with those however, as a group we have all agreed that the main value we strive for is authenticity because we believe the most important thing is being genuine with our sisters along with treating each other with the utmost respect and kindness. Personally, Phi Mu has given me everything and more between the greatest friendships, sweetest memories, and loads of personal growth and because of that I hold so much love for this chapter. Phi Mu hosts monthly sisterhood events to maintain a large amount of liveliness within our chapter. We also spend a lot of time supporting our National philanthropy, Children’s Miracle Network Hospitals, through different fundraising opportunities, Miracle Mac, and Cowboython. Ultimately, as a chapter we strive to empower our sisters and push them toward the greatest endeavors, and we are so excited to share that with you this week!

Have fun these next few days and be yourself! The Women of Phi Mu are so excited for what the future holds for you!

Best Wishes,
Ally Sutherland
Chapter President - Phi Mu

A Note from the President

Congratulations on your decision to be a part of the Cowboy Family!

At Pi Beta Phi, we strive to uphold the values that this house was built upon back in 1867. Maintaining integrity and lifelong commitment, having honor and respect, instilling personal and intellectual growth, extending philanthropic service to others, and upholding sincere friendship are the values that resonate within our lives. I can say with confidence that these values are truly what separates the women of our chapter from the rest.

Here at Pi Phi, we greatly cherish the moments and time spent with each other whether it be going to football games, pouring our hearts into America’s Greatest Homecoming, holding philanthropy events to advocate for children’s literacy, or just enduring life together within the walls of the house we call our home.

Over the years, Oklahoma Beta has remained one of the top chapters nationally and had the honor of winning the Balfour Cup in 2015 making us the top Pi Phi chapter in the world. This year we also celebrated 100 years of being a part of this wonderful university. Our centennial celebration was nothing short of a monumental milestone for our chapter of which our current members and over two thousand alumnae were proud to be a part of. I am indebted to Oklahoma Beta because of all the time, love, and support it has shown me. It is my hope that as you embark on this incredible journey that you will find the place that challenges you, inspires you, and empowers you for the better.

Ring Ching and Go Pokes!
Emma Maritz

324 S. CLEVELAND · STILLWATER, OK 74074
A Note from the President

Potential New Members,

The women of Zeta Tau Alpha welcome you to Oklahoma State! We are so excited to meet you and to have you join the Cowboy family. We are especially eager to show you what makes us proud to be Greek and what makes us proud to be Zetas. Love is at the center of everything we do here at Zeta. It's present when we bond over the hours spent rehearsing shows, snuggle up together under blankets for a Halloween movie, and see our chapter's hard work win a Homecoming trophy. It's present in the work we do for our philanthropy as we cover the campus with Think Pink ribbons, empower survivors, and honor those we've lost to breast cancer. It's present when women with different backgrounds, interests, and stories come together to celebrate a member's happiest days and support her on her worst. It's what transformed me from an opponent of Greek life to the chapter president of my organization. This love hits you from the moment you open our signature turquoise door. By putting this value into all our efforts, Zetas become better leaders, students, friends, and women.

I wish you the best as you begin this exciting new chapter of your life. Enjoy every moment!

Zeta Love,
Beth Keaney

Wondering what to wear during recruitment? Each event round gets progressively dressier than the last. To help you “Dress for the Occasion,” the Panhellenic Council delegates from each of our chapters model the appropriate dress for each day. We also offer some helpful hints for recruitment.

**FIRST EVENT ROUND**
**MONDAY, AUGUST 12 | TUESDAY, AUGUST 13**
This round is often referred to as Open House Round. With your recruitment group, you will have the opportunity to visit all 13 chapters. During this round you will have the opportunity to meet and speak with women from every chapter. These days are the most relaxed, so have fun and be yourself! Wear tennis shoes or flip-flops, khaki or denim shorts, a skirt, jeans, etc.
For Event Round One (Day One) wear OSU attire.
For Event Round One (Day Two) wear the T-shirt that we provide.
DO … Be comfortable.
DON’T … Wear shorts that are “too” short or uncomfortable shoes.

**SECOND EVENT ROUND**
**WEDNESDAY, AUGUST 14**
This round is often referred to as House Tour Round. On Wednesday, you will receive your schedule for the next day. Recruitment counselors will be available to help you find the chapter houses each day. This is an exciting day because you will have the opportunity to tour each house. The attire for this round is a little dressier but still comfortable. A sundress, skirt, or pants and a blouse will be perfect.
DO … Wear light summer fabrics. Ask a lot of questions.
DON’T … Wear uncomfortable shoes.

---

**Thanks to WOODEN NICKEL**
The fashionable attire showcased in our “Dress for the Occasion” section of this booklet was provided by Wooden Nickel. The Wooden Nickel, which is located at 401 S. Washington St. in Stillwater, Ok, has been Stillwater’s premier specialty retail destination since it opened its doors in 1976. Thank you to Wooden Nickel for their support of the Panhellenic Council and fall recruitment!
This round is often referred to as Philanthropy & Sisterhood Day, where you learn about each chapter’s philanthropy. You will receive your schedule in the morning. Again, the attire gets a little dressier. A nice dress or skirt and blouse would be appropriate.

DO … Pay attention to the house presentations because they tell you a lot!
DON’T … Forget to smile and have fun.

The fantastic photos throughout the "Dress For the Occasion" section of this booklet are courtesy of Genesee Photo Systems, a local photography company that provides a diverse array of services, including graduation ceremonies, portraits, sports, composite photos and many chapter event photos. These pictures illustrate the high quality you can expect from Genesee Photo Systems. For more information, you can visit their website at www.genesephoto.com. Thank you to Genesee Photo Systems for their support of the Panhellenic Council and formal recruitment.

Congratulations, you made it! You will receive your bid on this day and be given a T-shirt from the chapter that you join. Attire is khaki or denim shorts, tennis shoes (you will likely run to the chapter house) and your new T-shirt. Each chapter will have events planned for its new members and meetings for parents/guardians.

DO … Be excited about your new family and have a blast!
DON’T … Forget to have the time of your life meeting your new sisters!

This round is often referred to as Preference Round. You will receive your schedule in the morning. This is a serious day because the chapters will be expressing to you what their sisterhood means to them. You will have an opportunity to have a serious conversation with someone you have possibly already talked with during the week. The attire is the dressiest on this day. We recommend wearing a dress. Be tasteful, and wear something in which you feel confident.

DO … Think carefully about where you are the most comfortable.
DON’T … Get stressed out.

Congratulations, you made it! You will receive your bid on this day and be given a T-shirt from the chapter that you join. Attire is khaki or denim shorts, tennis shoes (you will likely run to the chapter house) and your new T-shirt. Each chapter will have events planned for its new members and meetings for parents/guardians.

DO … Be excited about your new family and have a blast!
DON’T … Forget to have the time of your life meeting your new sisters!

THIRD EVENT ROUND
THURSDAY, AUGUST 15

FOURTH EVENT ROUND
FRIDAY, AUGUST 16
TERMS TO KNOW

**Active** - The term used to indicate a sorority woman or a fraternity man who has been formally initiated by his or her chapter.

**Alumna (Plural: Alumnae)** - An initiated sorority member who is no longer in college.

**Bid** - An invitation extended by only one sorority per potential new member on Bid Day; this is the formal invitation to become a new member of that sorority.

**Chapter** - The women comprising each local collegiate group of an inter/national sorority. OSU has 13 sorority chapters on campus that participate in recruitment.

**Colony** - A new fraternity or sorority that is working to receive a charter from the inter/national organization to which it is affiliated. When a charter is received, they become a chapter of that inter/national organization.

**Continuous Open Bidding (COB)** - The period other than fully-structured recruitment when Panhellenic sororities acquire new members.

**Fully-Structured Recruitment** - The formal process of mutual selection by which chapters invite potential new members to join their sorority prior to the fall semester.

**Initiation** - The formal ceremonies by which new members complete membership into a chapter and receive full membership privileges.

**Legacy** - A woman whose mother, sister or, in some cases, grandmother or half-sister is an alumna or active member of a sorority. A sorority is not obligated to offer a bid to a legacy, and a potential new member is completely free to choose the sorority of her individual preference.

**New Member** - A potential new member who has accepted the bid of a sorority and has taken the first step toward full membership but has not yet been initiated.

**Panhellenic Association** - The term that refers to all members of the sorority community at Oklahoma State University.

**Panhellenic Council** - An organization composed of representatives of each sorority chapter who act as the central governing body of all sororities.

**Potential New Member (PNM)** - An unaffiliated woman who attends formal recruitment or participates in Continuous Open Bidding.

**Quota** - The number of new members that each Panhellenic sorority may select during formal recruitment.

**Recruitment Counselor (Gamma Chi)** - A Panhellenic representative who assists PNMs during the recruitment process. This woman completely disaffiliates from her sorority to provide objective advice and support.

**Recruitment Group** - A group of 30-40 women who live in close proximity to each other and are led by a Recruitment Counselor. This group will attend all of the Open House events together on the first and second days of recruitment.

**Rec Letter** - A recommendation letter written by an alumna. These letters are not required for participation in recruitment. However, it is highly recommended that if you know an alumna, you ask them to write a recommendation letter on your behalf.

**Sorority (Women’s Fraternity)** - A values-based, social experience based on the fundamental right of a free people to form voluntary associations.

**Total** - The allowable chapter size as determined by the Panhellenic Council that includes both new and active members. Chapter total is the total number of members that a chapter may recruit to during Continuous Open Bidding. If a chapter has less than total, they may participate in COB. The Panhellenic Council evaluates this number each year. It usually reflects average or median chapter size.
FREQUENTLY ASKED QUESTIONS

When are recommendation letters due?
There is not a due date for recommendation letters. The earlier they are sent in, the better off you will be. However, recommendation letters can be sent in as late as August. Please note, recommendation letters must be sent directly to the chapters using the addresses found on the Chapter Profile Pages. Alumnae are also encouraged to submit electronic recommendation forms online by visiting their inter/national chapter’s website before recruitment.

What if I don’t have a recommendation letter for every chapter?
You are not required to have any letters of recommendation to go through recruitment. If you know alumnae from chapters we have on campus, ask them to write you a letter. These letters are written to introduce you to the chapter members, but it does not guarantee you will be given a bid to a certain chapter.

What if I don’t visit the maximum number of chapters during each round?
During the recruitment process, the number of chapters a PNM will visit each day will vary from one woman to the next. The majority of women who go through recruitment at OSU do not have full schedules of events to attend. The number of events is not important; it is the conversations and people you are interacting with that are important.

If I am going through recruitment as a sophomore or going through again, am I at a disadvantage?
Many women choose to go through recruitment as a sophomore or junior for various reasons. As long as your high school GPA is at least a 3.0, or your college GPA is at least a 2.7, and you have been involved in campus and community activities, you should not have a problem. For those going through recruitment a second time, there is a chance that chapters that released you the first time through will release you again. You should keep an open mind and discuss all the activities in which you have been involved over the past year as well as let the sororities know why you are going through a second time.

Am I guaranteed to receive an invitation for membership (bid) from a chapter?
Invitations are only guaranteed to Potential new members for the first round, which begins on Monday and concludes on Tuesday. There is no guarantee that you will be invited to attend the second (Wednesday), third (Thursday), forth (Friday) rounds. There is no specific formula that defines why a woman is not invited back. Therefore, there is no guarantee you will receive a bid to any sorority. However, if you progress through the week and attend all the events you are invited to during the fourth event round and list each of those chapters on your preference sheet that night, you will receive a bid to one of those chapters.

Will my grades suffer if I am in a sorority?
The all-Greek average GPA at OSU is consistently higher than the non-Greek average GPA. The Panhellenic GPA for the fall 2018 semester was a 3.3911 while the All Non Greek Undergraduate Women’s GPA was 3.184. Each sorority has its own scholarship program that will help you succeed academically as well as learn to effectively manage your time outside of class.

Will I be able to work in addition to being in a sorority?
Many chapter members at OSU have jobs in addition to being in a fraternity or sorority. While we do not encourage having a job as a first semester freshman, plenty of women work part time throughout college.
