The last weekend of the regular semester is always a busy time and this weekend will be no exception. Along with the increased traffic there is also increased police patrol cars to ensure safety in Stillwater. So if you are driving on the west side of town this weekend be careful, be alert and be aware of potential traffic delays and concerns.
Cinco de Mayo

Cinco de Mayo is an annual celebration held on May 5. The date is observed to commemorate the Mexican Army’s difficult victory over the French Empire at the Battle of Puebla, on May 5, 1862, under the leadership of General Ignacio Zaragoza. In the United States, Cinco de Mayo has taken on a significance beyond that in Mexico. In the U.S., the date has become associated with the celebration of Mexican-American culture. In Mexico, the commemoration of the battle continues to be mostly ceremonial, such as through military parades. For more information, click here.
