

OPTIONAL PRACTICAL TRAINING (OPT) EXTENSION – 24 MONTHS

Instructions for 24 month extension for STEM students

Eligibility:

- F-1 student must currently be working in a 12 month OPT and must hold a bachelor's degree or higher in the field of Science, Technology, Engineering, and Mathematics (STEM).
- The degree must be from a U.S. accredited institution.
- F-1 student participating in an initial 12 month OPT based on a non-STEM degree can use a previous eligible STEM degree for the 24 month OPT STEM Extension. The student must be employed in the STEM degree field of study for the 24 months of employment.
- F-1 student must be employed by an employer registered with the E-verify program.
- F-1 student must file the extension in a timely manner, generally 90 days before the current OPT expires. Student may not apply during the 60-day grace period. Student can continue employment while the extension application is pending, until a final decision is made, or for 180 days, whichever comes first.
- Student and employer must complete the Form I-983 and submit the completed form to the DSO in the ISS office.

Procedures:

1. **No earlier than 90 days before and no later than the end date of the 12 month OPT**, the student should request the OPT STEM extension through the ISS website:
<https://lcl.okstate.edu/iss/opt-stem-extension.html>

At the time of the OPT STEM Extension request, the student must submit the Form I-983 properly signed off by your employer as an attachment to the ISS form.

The student submit the application to USCIS within 60 days of the I20 issuance from the ISS DSO.

2. **SEVIS Reporting Requirements:** Student is required to report any changes in employment within 10 days of the change.
 - Any change in name or residential/ mailing address
 - Name and address of employer
 - Unemployment periods
 - A change in immigration status

Every 6 months the student must confirm the following information:

- Legal Name
- Residential mailing address
- Employer's name and address
- Status of current employment

3. **Annual Self-Evaluations:** Student and their employer must submit a self-evaluation about the progress of the training experience to the DSO. This includes a properly signed Form I-983 at the 12 month mark of your EAD employment period and at the end of your 24 months, a final assessment is submitted to the DSO. The student will report and attach the Form I-983 through the ISS website.
<https://lcl.okstate.edu/iss/opt-stem-extension.html>
4. **Material Changes and Changing of Employers:** Student and their employer must submit an updated Form I-983 to the DSO within 10 days of changes to the training plan. The student will report and attach the Form I-983 through the ISS Website. <https://lcl.okstate.edu/iss/opt-stem-extension.html>
5. **Unemployment Reporting:** OPT STEM students must report the termination of the employment within 10 days of the event. Students who are granted a 24-month OPT STEM extension are given an additional 60 days of unemployment after the 12 month initial OPT. This means that a 24-month OPT STEM student will receive a total of 150 days of unemployment; 90 days during the 12 month OPT plus 60 days during the OPT STEM extension.
