Dear OSU Parents,

I know this time is filled with a great deal of emotion for you and your family. As a parent of three, including a 2017 OSU graduate, I share in the feelings of loss for our cowboy students. This pandemic is unlike anything we have ever seen before and it caused all of us to take actions that have altered the normal experience of college and life for that matter. I know this is not how any of you or your students expected to finish out this year, but our hope is that by our actions we will be able to “flatten the curve” and resume a sense of normalcy for the next academic year. The faculty and staff at OSU do what we do to serve the students, to see the world through their eyes, and to do our part to touch the future, so we too are feeling the loss of not having the students here to experience the final weeks of this semester.

We are still actively working to support your student and provided below are the links to resources that will help your student and/or help you know what is available. Our goal is for you and your student to feel just as supported in the on-line platform as you and they did on-campus. If you need anything, please let us know and as always “Go Pokes”!!

Sincerely,

Douglas A. Hallenbeck, Ph.D.
Vice President for Student Affairs

Student Affairs Resources

Students who need assistance in any way can complete Support Request Form HERE

Additional Resources for Students

An archive of all OSU announcements can be found HERE.

Academic

- Online class assistance
- Online tutoring and academic assistance

Social
• Weekly online events
• Student organization resources
• Group fitness classes

Health and Mental Health
• University Health Services - *Students must call 405-744-7665 before coming to the University Health Services clinic if they have recently traveled and have respiratory symptoms.
• University Counseling Services

Fall Enrollment and Advising
Enrollment and Advising for the fall semester is occurring online and students can still use the Star System to set up advising appointments.

City of Stillwater Shelter in Place Guidelines
If your student is remaining in Stillwater for the rest of the semester, please remind them about the Shelter in Place Guidelines explained HERE.

Census 2020
Your student will need to complete the census for their address in Stillwater, not for their permanent address. If your student lives with others, they need to make sure one resident completes the census for all occupants. Learn more
