 - 1. I can get them, but they did say that more students were hired since implementing this.
 - iii. **George:** Did other universities set a hard cap on the spending or was it up to Presidential discretion?

 - 2. **Stephens:** How would SGA be involved?
 - a. Deciding on what industries to invest in and connect with.
 - 3. **Stephens:** I would want to see how it affected Texas and see more of the numbers before I could give you a specific answer. I appreciate the bill and I look forward to working with you on it in the future.
 - vi. **Botts:** So you were not aware of the legislation?
 - 1. Stephens: I was aware. I just was not aware that SGA would be so directly attached in this process.

 - x. **Thornton:** Have you considered that energy companies are already a major recruiter on campus and maybe if we diversified who we are bringing in?
