Sec. 1. PHILOSOPHY AND PURPOSE

- 1.1 The purpose of the Group I Activity Fee Allocation Process is to allocate moneys to recognized student organizations, clubs, and associations. The final allocation is presented in the form of a recommendation to the Vice-President of Student Affairs.
- 1.2 The overriding philosophy of the Group I Activity Fee Allocation Process shall be that academic, social, recreational, and professional involvement is necessary in the development of a well-rounded student. The student organizations at OSU are a diverse community with a wide range of interests. Therefore, this process emphasizes the empowerment of students at all levels in the allocation of student activity fees to ensure equality and fairness.
- 1.3 The process outlined in the following by-laws is based on the philosophy that a specific college council intrinsically knows what is best for the student organizations related to that college. Furthermore, to provide for the highest degree of equality, this process allows for the allocation of moneys based on enrollment in colleges. However, this process also recognizes that certain organizations carry on programming above and beyond their resource allocation and allows for allocation to these groups based on merit and emergency need.

Sec. 2. ALLOCATION COMMITTEES

- 2.1 There will be nine (9) allocation committees, consisting of the following: College of Arts and Sciences; College of Agricultural Sciences and Natural Resources; Spears School of Business; College of Engineering, Architecture, and Technology; College of Education, Health and Aviation; College of Human Sciences; International Student Organization.

- 8.3 Any expense item which is not explained or which is listed as "miscellaneous" will not be funded.
- 8.4 All expenditures for alcoholic beverages, including beer and wine, will not be funded.
- 8.5 In any student organization fundraiser only the net profit may be used for scholarships, additional food expenditures, direct monetary contributions, etc. Check with the Student Government Audit Committee for restrictions.
- 8.6 Any programming which encumbers funds for a period longer than twelve (12) months will not be funded unless specific purpose for such is presented and approval is granted by the appropriate council/entity with said amount encumbered accordingly.
- 8.7 All expenses which would result in an illegal action will not be funded.
- 8.8 Students organizations can use no more than twenty percent (20%) of their allocation amounts for food or refreshments.
 - 8.8.1 Refreshments may be purchased for the organization as a whole only.
 - 8.8.2 Any usage in excess must be approved by the Student Government Association Audit Committee.
 - 8.8.3 Banquets can only be funded if the revenue from the banquet is greater than or equal to the expenditures of the banquet.

- 8.9 Late applications will not be accepted.
- 8.10 It will be up to the allocation committees' discretion if a group who submits an incomplete application should receive moneys.
- 8.11 Any moneys which are not allocated by the allocation committees shall be transferred to the SGA co-sponsorship account.
- 8.12 In order to provide some basis by which to allocate money to student organizations, each allocation committee is allowed to implement restrictions above and beyond the aforementioned minimum restrictions provided a list of these restrictions is made public through the contacting of the adviser of each group under the auspices of the allocation committee by the end of September. All additional restrictions shall not conflict with the minimum restrictions and must be applied equally to all organizations under the auspices of the respective allocation committee.
- 8.13 Each allocation committee shall hold a hearing on the application of each group applying for AFAP funding. After hearing all groups, the committee will review each and decide, based on the amount allotted to that committee to allocate, how much, if any, each group will be awarded for the next fiscal year.
- 8.14 Each allocation committee should keep detailed minutes of the discussions regarding fee allocation to student groups.
- 8.15 Following the review process, if the allocation committee feels that there are certain student organizations with genuine need above and beyond the resources of the committee, the allocation committee may prepare a proposal outlining the specific needs of those organizations and present it to the Appeals Council Governing Board for funding within a week after the last allocation committee meeting.
- 8.16 Meetings may not commence unless one member of the allocation committee, other than the AFAP Chair or Vice-chair, is taking minutes of the meeting. These minutes must be approved by the allocation committee and must be turned into the AFAP Chair or Vice-Chair within one week after the last meeting of the allocation committee.
- 8.17 Any student organization that has over twenty percent (20%) non-student membership shall not be funded.
- 8.18 Any student organization that is recognized by the GPSGA shall not be funded.
- 8.19 Student organizations cannot make direct monetary contributions using AFAP funds to any charitable organizations.
- 8.20 Upon request of an organization umbrella group, the AFAP chair and vice chair have the ability to review the use of funding and rescind the funding, if necessary.

Sec. 9. FINAL PROCEDURES

- 9.1 Following the final meeting of the Council Board of Governors, the AFAP Chair will prepare a concise enumeration (i.e. spreadsheet) of the moneys allocated to each student organization and present that report to the Vice-President of Student Affairs.
- 9.2 The Chair of AFAP will also prepare one volume which will include all the AFAP applications, the minutes from all meetings, and the concise enumeration (i.e., spreadsheet) of allocations to all student organizations applying.
- 9.3 Copies of the volumes will be maintained in the office of the Coordinator of Student Programs and the office of the Student Government Association.

Sec. 10. PROCESS CHANGES

- 10.1 Any change to the procedures outlined above must be made with a 2/3 vote of those Senators present at a regular meeting the Student Senate and the approval of the SGA President who will forward said procedures to the Vice President of Student Affairs to obtain official administrative action.

- 10.2 Any changes to the specific allocation percentages enumerated above must be made 2 weeks prior to the date of availability of AFAP applications if they are to affect the upcoming AFAP process.

Sec. 11. CLUBS AND ORGANIZATIONS

- 11.1 Those clubs subject to AFAP guidelines are listed in Title 6-2.2.
