V. Unfinished Business

a. **Camp Redlands**

1. Dunn- I went and talked to Steve Haseley, and changed the wording to say they had have some modifications to the facilities. I've brought pictures that I took of the facilities.
2. Bastie- ****looking at facility pictures**** Oh that's disgusting
3. Rojo- did you have the opening date of the campground?
4. Dunn- I don't, but some fun facts are, during the land run there was a guy with the last name Redland. The campground was a town and then during the great depression they built the current cabins for the workers that were building the dam for lake Carl Blackwell. OSU bought the facility in the 80s and minimal modifications were made. Met with Dr. Bird and President Hargis. Looking at maybe getting donors to pay for each cabin and naming them after that donor. Looking at a petition from former PLC members.
5. Bastie- would there be a summer where camp cowboy couldn't be there if there is renovations being made?
6. Apple- We stay on campus now, so it won't affect us any.
7. Blevins- Change section 9 to enacting clause.
