GENERAL INFORMATION

Need a speaker to speak about OSU or Community Programs of Volunteering for your Student Organization meeting? Call the Volunteer Center today for a staff member, Ambassador, or other volunteer to come to your meeting/event. Slots fill quickly, so remember to call early in the semester.

Our mission is to serve OSU students by providing timely, meaningful volunteer experiences that grow the individual and promote healthy workforce development skills, while building the capacity for service.

Programs featured at the SVC include SVC Ambassadors, ENGAGE, STEP, Cowboy Alternative Breaks, CORD, MICAH Mentors, Carisa Winters Endowed Service Award, and Volunteers in Progress (VIP) training program. We collaborate with local, state, and regional non-profits, other universities and centers for training and development to provide strong networking alliances for our students and graduates.

We recognize outstanding students, faculty and staff for outstanding service to community each spring at the President's Annual Leadership and Service Recognition Awards Reception. We also service as a qualifying agent for the national President's Volunteer Service Award.

We recently participated in a reflection group with the Mandela Fellows visiting our campus. Twenty-five young entrepreneurs representing twenty five countries in Africa. We were indeed honored to be part of those who met and were able to hear of the many unique ways the individuals planned to encompass agricultural methods to solve community needs in their countries.

This is the second year SVC has participated by collaborating with CASNR College on campus for this important event. This year marked the 100th year birthday of Nelson Mandela.

We hope you find this newsletter useful to your service inquiries. Feel free to call, 744-5145 or come by 211G SU.

LEADERSHIP

“The challenge of leadership is to be strong, but not rude; be kind, but not weak; be bold, but not bully; be thoughtful, but not lazy; be humble, but not timid; be proud, but not arrogant; have humour, but without folly.”

~Jim Rohn
